

16-WEEK NEW TESTAMENT READING EXPERIENCE

80 Days of Spiritual Growth

RESOURCES YOU WILL NEED:

- **Printed book**, “Immerse: The Reading Bible - Messiah” by Tyndale
(This text has no chapters or verses, making it read like a novel.)

OR

- **Audio Listening Links:** www.immersebible.com/messiah-16-week/
- **Attached Daily Reading/Listening Guide**

NOTES:

The experience lasts 80 days, beginning with the first full week in June (May 29) and concluding the week of September 11. NOTE: There is also an 8-week plan on the website for the more adventurous.

There are only 5 short readings each week. Use the extra two days of the week to catch-up, if needed.

You will soon realize that the various book placements of this experience are not in the same order as they are in your Bible. The books have been reorganized so that all four Gospel aren't read back-to-back. Also, books written first appear early in the reading cycle, offering a historical perspective.

A commentary video is provided for each week on the website listed above. The video presents background information as to the context of passages for that week.

After you read each daily passage, meditate on the following questions:

- What stood out to you in today's reading?
- Do you notice any overarching themes? Any connections to previous passages?
- Did anything make you think differently about God?
- How might this passage call you to live differently?

As you complete a reading, check it off on the reading/listening guide on the following pages to keep track of where you are.

As you prepare for this experience, read “How The Bible Works,” on pages 483-489 in the book *(if purchased)*.
